Customer feedback

Jerome ALLAGNAT
Technical Manager
DEVEHO Consulting Group

Xtech-Upgrade is not just a tool. It provides new, time-saving ways to carry out an upgrade and considerably reduces potential risks for the whole implementation process.

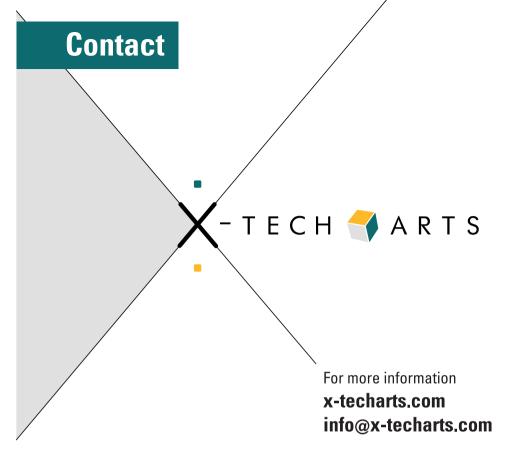

Laetitia PACALLET
Group Sales Manager
SRA

*We are very proud to be X-Techarts partner as the product and the team are really performing.
Thanks to Xtech-Upgrade, our projects are easier, more reliable and safer.*

Renaud DAMOUR
Sales Manager
PROGINFO

XTECH tools provide our customers and technical teams real comfort and security for their upgrade projects.

Marc BOUDESSEUL
Sage X3 Sales Manager
ABSYS CYBORG

After one year, we see that our choice of carrying out all our upgrade projects with Xtech tools is the winning solution. Customer feedback is very positive
